

# Introducing the new Business<sup>2</sup>

The ultra high-speed hand dryer

## Business

Elegant, hygienic and cost effective, the Business is a faster, healthier way to dry your hands

## Better for the environment

The Business is extremely energy efficient and helps qualify for LEED® credits. No more paper towels to dispose of and inventory to maintain.

## Safer for users

Using 90% less energy than conventional dryers this revolutionary concept puts hand dryers firmly on the agenda with its green credentials. It's vital statistics make it an obvious choice for facilities and purchasing managers looking for a cost-effective long term solution.
