Product Datasheet uvex 2 6503.1-4 S3 SRC

UVEX ARBEITSSCHUTZ GmbH, Würzburger Str. 181-189, D-90766 Fürth

Product information

- Sporty, multifunctional safety boot
- Extremely light and flexible
- The latest generation of 100% metal-free uvex xenova® toe cap. Compact design, anatomical shape, good side and ankle twist stability, no thermal conductivity and antimagnetic properties
- Metal-free, penetration-resistance insole in accordance with the latest standard, which does not impact shoe flexibility
- Made with new high-performance technology for exceptional wearer comfort
- uvex climazone technology for optimum comfort
- Water-repellent, breathable and extremely soft leather
- Distance mesh lining provides optimum breathability
- Virtually seam-free construction to eliminate pressure points
- Removable comfort insole, antistatic, with moisture control system and additional shock absorption in the heel and at the front of the foot
- Soft, padded collar and padded tongue
- Injection-moulded polyurethane scuffcap to protect upper leather on toe cap and significantly extend resistance time
- Meets ESD requirements: resistance to ground < 35
