A high-end shower stall featuring a large, square, gold-colored rain showerhead at the top left, with water cascading down. To the right, a vertical gold-colored shower panel holds a handheld showerhead with a flexible hose. Below the panel are three gold-colored control knobs and a long, horizontal gold-colored spout. The entire setup is mounted on a wall of black marble with prominent gold-colored veins. The lighting is dramatic, highlighting the textures of the marble and the metallic sheen of the fixtures.

Without black, no color has any depth. But if you mix black with everything, suddenly there's shadow. You've got to be willing to mix black into your palette if you want to create something that's real.

MERDAS
BORN OF LEGEND,
FORGED IN POWER

مرداس برگرفته از،

پادشاهی نیک‌سرشت و قدرتمند در شاهنامه‌ی جاودانه‌ی حکیم فردوسی است؛ فرمانروایی که قدرتش در خدمت عدالت بود و بزرگی‌اش در فروتنی معنا می‌یافت. نامه‌ی که با نیک‌ی آغاز شد و با شکوه در تاریخ ماند.

به پاس این میراث از «کتاب خرد و پهلوانی»،

ما در البرزروز، تازه‌ترین آفرینش خود را به نام مرداس مزین کردیم. محصولی که در آن، استقامت کوه‌ها، شکوه قدرت و روح نیک‌ی در هم تنیده‌اند.

Our aim was to design a new faucets, an archetype of absolute quality which combined formal purity with luxurious sensuality.

This is Soft, balanced between fashion and ever green, between reason and passion, between sight and touch. It can be read with a single look, but remains as deeply ambiguous as any reflected image.

Persian Gulf Journey

"In the heart of the Persian Gulf, among the guardians of the sea, a treasure awaits."

"Deep beneath the shimmering waves of the Persian Gulf, a world of wonder thrives
untouched, pure, alive.

Amidst the movement of the fish and the dance of light, a treasure emerges.
Among coral gardens and silent currents, a search begins.

Not for gold. Not for jewels.

But for something far more precious: a promise.
A promise to protect. To preserve. To honor the life that breathes beneath these waters.

Through the endless blue, a discovery shines
crafted by human hands, inspired by nature's heart.

AlborzRooz

where innovation meets responsibility.

Every creation, a commitment. Every design, a tribute to a world worth saving.
Flowing not just with water, but with hope for generations to come."
