

Key Selling Point

- Optimal sound reproduction features well-balanced combination of vocal and bass.
- Shallow Mounting depth and comprehensive lineup allows for wide applications.
- Long-stroke motor and suspension for high-impact bass.
- Universally appealing advanced stylish design.

Speaker Technology

Technology of a G-Series Speaker

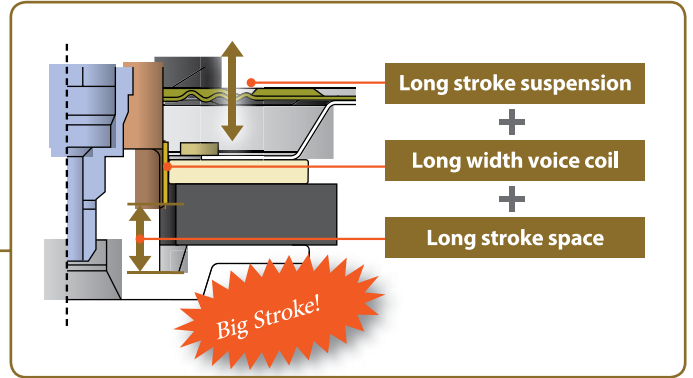

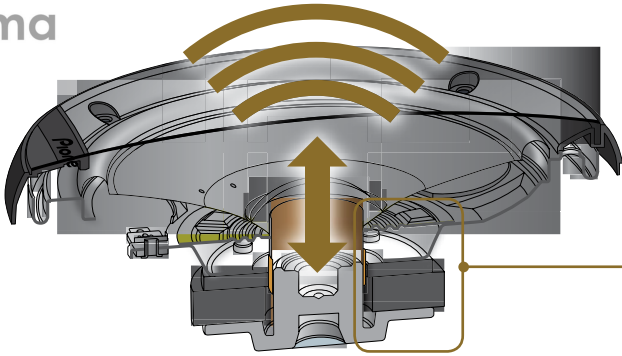

TS-G1620F Cut View

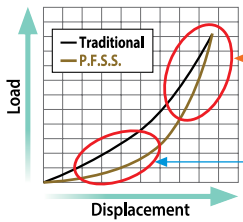

Higher-Impact Bass

Qualima

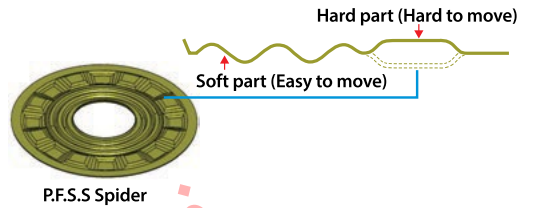

P.F.S.S Patented Technology

With exclusive material inherited from Pioneer's high-end PRS Series, this system realizes ideal sound reproduction.

Excessive input (irregular situation) Controls excessive vibration **High Durability!!** Maximizes power

Small input (usually for listening) Easy to move! **Low resonance frequency!!** Contributes to deep bass sound

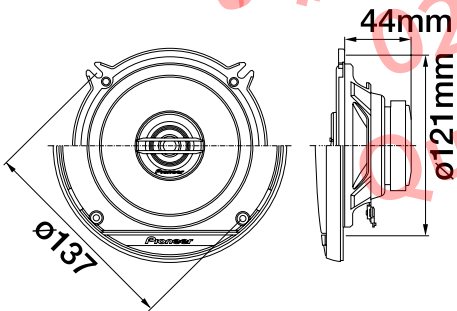

P.F.S.S Spider
